

## **July 2018 | Europe | NWPT**

Caryn Ogle & Kim Grimberg

“I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit” (Romans 15:13).

### **PRAISE GOD FOR:**

- The festival in SW London, Joy@KemptonPark. It was a victory! Nearly 2,000 people gathered on Father’s Day for a special message of hope from Andrew Palau. All attendees were fed and more than 20 churches unified to participate. Many responded to the Good News!
- The confirmation of all venues for Andrew’s and worship artist Martin Smith’s evangelistic tour in October 2018.

### **PLEASE PRAY FOR:**

- The Leader Launch for Advance 2020 in October 2018. That leaders will be receptive and accept the invitation to attend.
- Andrew’s and Martin Smith’s tour in October. Pray for logistical planning, strong response to promotion, and complete sponsorship of the event.
- Dave and Max as they continue in conversation with many leaders as possible over the summer months to plan outreaches in future cities. Pray for these meetings and that all will follow God’s prompting.
- Safety and protection over all the many trips the Palau team is taking this summer.
- The possibility of leader gatherings in October with Andrew and Kevin, to discuss potentially hosting festivals.
- Pray for NGA partner John Grant and the team as they continue to work on details of missions the last 6 months of the year.
- Blessing over the ministry of Romanian evangelism Daniel Rus, that God will use him to connect many NGA evangelists to outreach opportunities in Europe.

“Let us then approach God’s throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need” (Hebrews 4:16).

Praying with you for the UK and Europe,
